

***HOW DO WE MOVE
FROM MOBILIZATION
TO MULTIPLICATION?***

**DISCIPLE-MAKING TEAMS
(DMTs)**

What is a DMT?

DMTs are communities that develop habits of living *together*, growing *together*, praying *together*, and sharing *together*.

Do you see the theme? When we work *together*, we become stronger, more resilient, and more fruitful. So, we will help you form a DMT that will equip you to make disciples as a disciple and to multiply disciple-making teams as a team.

“Participating in DMT turned out to be an experience beyond expectations, forming a discipleship lifestyle and opening up new understandings for me personally to take intentional steps in discipleship.”

~ Alumni DMT

DMT Commitment

Each week, your DMT will explore Bible passages together, study helpful, simple ministry tools, and encourage and support each other in this shared commitment.

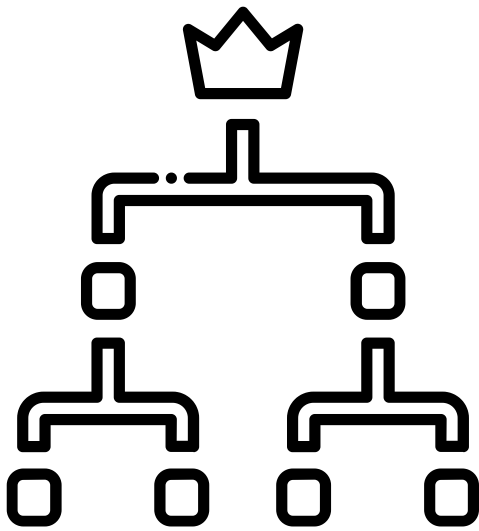

In order for discipleship to become a LIFESTYLE, the shared commitments we will hold for the 20 weeks are:

- Spend personal time with God every day
- Study God's Word *together* every week
- Pray for the lost *together* every week
- Reach out to the lost *together* every week

“My DMT has changed the way I live. Reaching others has become a norm for me through TPL - God's Truth, Power, and Love.”

~ Alumni DMT

We want to see groups
and teams reproduce
among believers
and unbelievers alike.
God's kingdom isn't
meant to be
complicated, so we
keep things simple
and easy for anyone
to understand.

By focusing on the Bible, the Holy Spirit, and
learned habits of obedience, we can remove
obstacles to discipleship and get back to
simply being disciples, following Jesus
wherever He leads us, and helping others
find and follow Him.

*"Being in a DMT is like
undergoing lifestyle therapy
for believers. Everything
comes alive because we learn
both in theory and in
practice."*

~ Alumni DMT

LET'S GO!

Do you or your community, church,
or network have a passion for
growing as disciples who make
disciples, but need help turning that
vision into a reality?

Whether your vision is to be
equipped to see God's kingdom come
locally or globally, we are ready to
serve you!
