

X Camp

“I will surely bless you, and I will surely multiply your offspring as the stars of heaven and as the sand that is on the seashore.”

Genesis 22:17

X Camp is an opportunity for your DMT to get some extended relational time together, to celebrate what God has done in and through the team, and to learn how you can multiply your lives spiritually (and what to do when it happens!).

Planning Tips

We work hard to keep the entire DMT training plan as reproducible as possible, and the X Camp is no exception. When planning, please consider:

- People are most likely to reproduce what they experience, so keep the next generation of DMTs in mind when you consider things like in-town vs. out-of-town, making food vs. ordering food, etc
- X Camp can be done all in one day or split over two half-days, whichever is best for the group.
- If time allows, we would highly encourage you to plan some time for fun or adventure!

#4 – Multiplication: Now! [Optional]

Like the disciples in Luke 10, pair up and go out into the community to look for people of peace and to expand your *oikos* together. The facilitators can decide how long this time will last, but we would suggest 1.5-2 hours.

Debrief your experience using the [TPL Debrief tool](#).
